WORD OF LIFE CAMPS Code of Practice

1. We see people as the priority and desire to treat participating young people with friendliness, respect and courtesy.
2. We endeavour to outline clearly in literature the standards and services which participating young people can expect to find.
3. We aim to be honest and open in our dealings with the young people including:
 - clear pricing structure that highlights "extras" or cancellation charges
 - a booking process that has reasonable terms and conditions and is administered effectively
4. We strive toward high standards of hygiene and safety in accordance with legal requirements.
5. We aim to deal speedily and responsibly with any concerns or complaints that arise.

WORD OF LIFE stores all data securely and does not share details with anyone.

WORD OF LIFE do like to contact people about future events.

I wish to receive information about future Word of Life events.
