### Gift Aid Declaration

If you tick the box to the right, you allow us to claim 25p on every £1 you donate

- If your declaration covers donations you may make in the future:
  - Notify the charity if you change your name or address while the declaration is still in force.
  - You can cancel the declaration at any time by notifying the charity – it will then not apply to donations you make on or after the date of cancellation or such later date as you specify.
- You must pay an amount of income tax and/or capital gains tax at least equal to the tax that all charities you donate to reclaim on your gifts in the tax year. If there is a shortfall, the donor is responsible for the difference.
- If in the future your circumstances change and you no longer pay tax on your income and capital gains equal to the tax that the charity reclaims, you can cancel your declaration.
- If you pay tax at the higher rate you can claim further tax relief in your self-assessment tax return.
- If you are unsure whether your donations qualify for Gift Aid tax relief, phone the Office (01324 873296).
