Word of Life

Reaching Youth with the Gospel of Christ

20 April 2018

Dear Friends and Supporters of Oliver Milton:

It has been a blessing to count Oliver Milton among our missionary staff. Oliver has faithfully served with Word of Life Ministries UK Ltd. since 2005, and his connection with us goes back twenty years. He has served as our administrator, but has done much more, playing a key role in our camping program, the development and discipleship of our associate staff, and serving with Bible clubs, children's ministries and at the Fringe annual evangelistic week in Edinburgh.

Recently Oliver has given notice of his intention to leave the employment of Word of Life Ministries UK Ltd. in order to take up employment with Southampton City Mission (SCM) from Monday 6th September as an administrator in their central office. While we are truly saddened by the prospect of Oliver leaving us as a missionary and employee, we can assure everyone that he is leaving under the best of terms. Oliver leaves us as a true friend and brother in Christ, and we have great gratitude in our hearts for his excellent service with us. We will still embrace him in our hearts as part of the Word of Life family, and hope that in the future, on a volunteer basis and as time allows, he and Emily can join us in various endeavors to evangelize and disciple the youth of UK.

Since Oliver's employment with Word of Life Ministries UK Ltd. ends on 5th September 2021, we cannot accept support or donations for Oliver after that date. We wish to thank all of those who have stood by Oliver and Emily with their support, prayers, and encouragement. *Thank you for being partners with them in the Gospel!* Please continue to keep the Miltons and Word of Life UK in your prayers as we transition into the next phase of our lives and ministries.

Yours in Christ,

Alex Konya

Chairman, Board of Trustees
